

Right Honourable Prime Minister visits Metolong Dam site

On Tuesday 12th May 2009, The Prime Minister Mr. Pakalitha Mosisili paid a short visit to the Metolong Dam site at Ha Seeiso Thaba-Bosiu. The Prime Minister's visit forms part of a decision made that Members of Parliament should make a habit of experiencing first hand, development projects currently in progress throughout the country. They have to see for themselves the progress being made and to ensure that the budget allocated by Parliament is being utilised as planned.

The Prime Minister was accompanied by other government Ministers including the Honourable Minister of Natural Resources Mr. Monyane Moleleki and Members of Parliament. They were welcomed to site by Mofumahali 'Majonothane Seeiso-Theko, senior officials from the Ministry of Natural Resources, Metolong Authority's Chief Executive and staff.

The Prime Minister and entourage were given a brief overview of the Metolong Programme by the Metolong Authority's Chief Executive. Then they were taken on a tour of the Metolong Dam site and a question and answer session followed. The visit was officially closed by the Honourable Minister of Natural Resources who thanked all present for their participation and mentioned that a similar visit would be undertaken in the future to continually check progress on the Metolong Programme.
